

PERFOMEDIA 2013

“putting on non-dress,
boots of turtle-hair on my feet,
I grab my rabbit-tusk bow,
And so I take aim at
the devil of ignorance”

Zen thought-Motto

At the international festival born from the initiative of **Emilio Morandi** and **Robert Šwierkiewicz** and organised by the **2B Gallery**, several outstanding performance artists from the Italian, Belgian, French, Polish, Spanish and Hungarian scenes will present their artistic activity. Art is an open space in these artist's presentations, where we can experience sounds, visions, gestures as ritual events.
